Project Name	Personal Expense Tracker Application

Create an Account in Sendgrid:

The screenshot shows the Twilio SendGrid dashboard interface. At the top, a navigation bar includes the user's name 'Sharique Ahmed' and a list of menu items: Dashboard, Email API, Marketing, Design Library, Stats, Activity, Suppressions, Settings, and Twilio SMS. Below the navigation bar, a large blue banner prompts the user to 'Ready to unlock the full potential of Twilio SendGrid?' with a 'Let's do it!' button. The main content area displays a greeting 'Hello Sharique! Here's your recent email activity.' followed by a table of email activity metrics. The table has columns for REQUESTS, DELIVERED, OPENED, CLICKED, BOUNCES, and SPAM REPORTS. The values are: REQUESTS (0), DELIVERED (N/A), OPENED (N/A), CLICKED (N/A), BOUNCES (N/A), and SPAM REPORTS (N/A). At the bottom, there is a 'REPUTATION' section showing a 100% score and a 'VIEW ACCOUNT USAGE' link.

REQUESTS	DELIVERED	OPENED	CLICKED	BOUNCES	SPAM REPORTS
0	N/A	N/A	N/A	N/A	N/A

REPUTATION 100%
